Hong Kong Adventist Hospital – Tsuen Wan Celebrates the 10th Anniversary and Approval Renewal of Scheme “A” Graduate Training Program in Biomedical Engineering

香港港安醫院—荃灣慶祝『香港工程師學會生物醫學工程界別 Scheme A 訓練計劃』十週年及續期認可典禮順利舉行

Hong Kong Adventist Hospital – Tsuen Wan (hereafter “HKAH-TW”) proudly hosted the 10th Anniversary and Approval Renewal of Scheme “A” Graduate Training in Biomedical Engineering on October 5, 2026. This milestone event underscored HKAH-TW’s steadfast dedication to cultivating biomedical engineering talent, while celebrating a new chapter in its pursuit of medical innovation and clinical excellence.

The ceremony was held at the 6th Floor Lecture Hall, main tower of HKAH-TW and was attended by distinguished guests, hospital leadership, training mentors, and program graduates. The hospital’s representative Mr. Paul Yam, the Vice President for Administration of HKAH-TW, was honored to host Ir Prof. Alfred Sit Wing-hang, GBS, JP, Chief Executive and Secretary of the Hong Kong Institution of Engineers (HKIE), and Ir Agnes Yan, Executive Manager of the HKIE Training & Development Section, as officiating guests for the ceremony. The event was further sublimated by Mr. Alex Lan, the HKAH-TW President and Chief Executive Officer, Mr. Andy Cen, the Chief Operating Officer of HKAH-TW, and numerous hospital executives and training team members, which reflected the importance of the occasion.

Opening Remarks Celebrate a Decade of Achievements

The event began with opening remarks from Mr. Paul Yam, the Vice President for Administration of HKAH-TW and Scheme “A” Head of Office, who expressed gratitude to the attending guests and partners for their ongoing support. Ir Prof. Alfred Sit delivered a keynote speech, recognizing the exceptional contributions of HKAH-TW in fostering the development of biomedical engineering professionals and encouraging young engineers for maintaining devotion and commitment. Concluding the speeches, Mr. Alex Lan presented a “Visionary Speech” reflecting on the program’s accomplishments and shared his aspirations for its future development and strategic opportunities.

A Milestone in Approval and Long-Term Collaboration

As part of the ceremony, Ir Prof. Alfred Sit of HKIE presented the “Company Approval Certificate” for the Scheme “A” Training Program to Mr. Paul Yam, who accepted on behalf of HKAH-TW. Additionally, a “Signing Ceremony for Scheme A Company 10th Anniversary and Approval Renewal” was held, where Ir Prof. Alfred SIT and Mr. Alex Lan jointly signed the testimonial, symbolizing the solidified partnership and continued collaboration between HKIE and HKAH-TW in advancing biomedical engineering experience training.

A Milestone in Approval and Long-Term Collaboration

As part of the ceremony, Ir Prof. Alfred Sit of HKIE presented the “Company Approval Certificate” for the Scheme “A” Training Program to Mr. Paul Yam, who accepted on behalf of HKAH-TW. Additionally, a “Signing Ceremony for Scheme A Company 10th Anniversary and Approval Renewal” was held, where Ir Prof. Alfred SIT and Mr. Alex Lan jointly signed the testimonial, symbolizing the solidified partnership and continued collaboration between HKIE and HKAH-TW in advancing biomedical engineering experience training.

Recognition of Achievements and Talent

As a cornerstone of engineering education and training, the event also included an award presentation recognizing the contributions of both Scheme “A” mentors and graduates. Mr. Andy Cen, Chief Operating Officer of HKAH-TW, presented certificates to Ir Prof. Albert POON, a Scheme “A” Training Tutor and the Head of Biomedical Engineering of HKAH, along with several program graduates, including Ms. Vivian Leung, Ms. Karen Ip, and Mr. Silas Cheung. The audience’s warm applause underscored their appreciation for the honorees’ remarkable dedication and achievements.

Strengthening Bonds and Looking to the Future

The ceremony concluded with a group photo featuring the distinguished guests, training mentors, and graduates – a celebratory moment marking this meaningful milestone. Following the group photo session, attendees enjoyed a Western-style vegetarian luncheon, offering valuable opportunities for networking and collaboration, closing the event on a positive, forward-looking note.

HKAH-TW extends its heartfelt thanks to all guests for their support and participation, as well as to the Hong Kong Institution of Engineers for their long-standing partnership and trust. Looking forward, the hospital remains steadfast in advocating for medical innovation and excellence while fostering the next generation of biomedical engineering talent to make lasting contributions to the healthcare industry and society at large.

Hong Kong Adventist Hospital – Tsuen Wan Celebrates the 10th Anniversary and Approval Renewal of Scheme “A” Graduate Training Program in Biomedical Engineering 香港港安醫院—荃灣慶祝『香港工程師學會生物醫學工程界別 Scheme A 訓練計劃』十週年及續期認可典禮順利舉行

香港港安醫院—荃灣（下稱荃灣港安）於2026年10月5日隆重舉行了「香港工程師學會（HKIE）生物醫學工程（Biomedical Engineering, BME）界別工程畢業生培訓計劃」（簡稱：“A”計劃）十週年及續期認可典禮。本次活動充分彰顯了香港港安醫院對培育生物醫學工程專才的持續承諾與成效，同時標誌著醫院在推動醫療創新及促進臨床卓越方面邁向新高峰。

典禮於香港港安醫院—荃灣主座大樓六樓演講廳舉行，吸引了來自各界的嘉賓、醫院管理層、訓練導師及畢業學員參與。香港港安醫院—荃灣行政副院長兼 Scheme A 主管任光榮先生代表醫院特別邀請香港工程師學會秘書長薛永恒教授工程師（GBS, JP）和培訓及發展部經理甄梁植思工程師出席主禮，同時由香港港安醫院—荃灣院長兼行政總裁凌宏寶先生、營運總監岑良先生等醫院管理層及訓練團隊一同參與，場面盛大。

典禮於由致辭環節拉開序幕。由香港港安醫院—荃灣行政副院長兼 Scheme A 主管任光榮先生發表歡迎辭，向與會嘉賓及合作夥伴表達衷心感謝，隨後由香港工程師學會秘書長薛永恒教授工程師致辭，表揚香港港安醫院在培育專業生物醫學工程人才方面的不懈努力和卓越成果及勉勵年輕工程師保持敬業與奉獻精神。此外，凌宏寶先生亦以「十週年紀念 Visionary Speech」為題作重要講話，回顧計劃創立以來的成就，並展望未來的策略方向及發展機遇。

十週年及續期認可的重要里程碑

典禮上，香港工程師學會向香港港安醫院—荃灣頒發「Scheme A 公司證書」，由薛永恒教授工程師親自頒授，並由任光榮先生代表接受。隨後，典禮舉行「十週年及認可續期簽署紀念儀式」，由薛教授和凌院長共同簽署，進一步鞏固香港港安醫院—荃灣與香港工程師學會的長遠合作與夥伴關係。

表彰人才 感謝付出

作為培育工程專才的核心計劃，活動亦設有表彰訓練導師及畢業學員的頒獎環節。由營運總監岑良先生頒發證書予 Scheme A 培訓計劃導師兼香港港安醫院生物醫學工程部總監潘家發教授工程師及多位畢業學員，包括梁小姐（Vivian LEUNG）、葉小姐（Karen IP）及張先生（Silas CHEUNG），現場掌聲響亮，氣氛溫暖，體現出對受訓人員的專業成就與努力的充分肯定。

活動尾聲，與會嘉賓、培訓人員及畢業學員於台上進行大合照，慶祝此意義非凡的時刻。大合照後，參加者享用西式素食午餐，進一步促進交流並總結當天活動。

香港港安醫院—荃灣感激所有嘉賓的支持和參與，以及感謝香港工程師學會多年來的合作和信賴。未來，港安醫院將繼續以專業精神推動醫療創新，致力於培育更多生物醫學工程專才，為社會和醫療行業持續貢獻力量。

About Hong Kong Adventist Hospital – Tsuen Wan

Hong Kong Adventist Hospital – Tsuen Wan is part of the global Seventh-day Adventist healthcare network, which comprises over 244 hospitals and 1,840 healthcare facilities worldwide. Serving millions of patients globally, the network is dedicated to delivering continuous high-quality medical care. As one of Hong Kong's leading non-profit private hospitals, Adventist – Tsuen Wan has been serving the local community since 1964. The hospital adheres to its mission of “Extending the Healing Ministry of Christ” by offering professional, efficient, and patient-centered one-stop medical services.

The hospital is equipped with state-of-the-art facilities, including a 24-hour Urgent Care Center, clinical laboratory, diagnostic imaging services, and pharmacy. Its comprehensive range of services spans general surgery, internal medicine, obstetrics, pediatrics, specialty private wards, intensive care, and critical care units. With emergency care staffed by board-certified accident and emergency specialists, HKAH-TW provides timely and effective interventions during critical moments, helping to save lives when every minute counts.

In addition, the hospital's operating theaters feature cutting-edge surgical robotic systems, seamlessly integrating advanced technologies into treatment processes. This enables precise, efficient, and safe surgical procedures, reinforcing its position as a leader in private healthcare within Hong Kong.

HKAH-TW was also the first private healthcare provider in Hong Kong to receive HKIE approval in 2015 to operate the Scheme A Training Program in Biomedical Engineering. This program provides clear career pathways for graduates of biomedical engineering while offering significant advantages, such as shortening the time required to obtain professional qualifications and nurturing clinical application expertise. By combining a well-structured training framework with experienced mentors, the hospital has made significant contributions to developing the next generation of biomedical engineering professionals.

關於香港港安醫院—荃灣：

香港港安醫院—荃灣隸屬於基督復臨安息日會全球醫療網絡，該網絡擁有超過244間醫院及1,840間醫療機構，為全球數百萬患者提供持續、優質的醫療服務。作為香港領先的非牟利私營醫院之一，荃灣港安自1964年起服務社區，秉承「延續基督的醫治大能」的使命，致力提供專業、高效且以病人為中心的一站式醫療服務。荃灣港安配備先進的醫療設施，包括24小時急診中心、化驗室、影像診斷服務及藥劑服務，同時設有外科、內科、婦產科、私家病房、兒科、綜合病房、深切治療病房及加護病房，覆蓋全面而先進的醫療服務需求。其24小時急診服務由專業急症科醫生駐診，可為病人提供緊急介入治療，及時挽救生命。此外，醫院的手術室配備多款高端先進的醫療機械臂，將尖端科技融入治療過程，致力為患者帶來更精準、高效和安全的手術體驗，推動本地醫療服務邁向更高水平。

荃灣港安於2015年率先獲香港工程師學會批准，成為全港首家私營醫療機構開辦「生物醫學工程界別 Scheme A 訓練計劃」的醫院。此計劃為生物醫學工程畢業生提供清晰的職業發展路徑，並在縮短考取專業資格時間及培育臨床應用能力方面均享有顯著優勢。透過完善的培訓架構及資深團隊指導，港安醫院為培養新一代生物醫學工程專才作出了卓越貢獻。
