**Hong Kong Adventist Hospital - Tsuen Wan**

Since its establishment in 1964, HKAH-TW has remained as the only not-for-profit private hospital in the Tsuen Wan district and has developed deep roots within the community. Over the years, the hospital has been unwavering in its mission of “Extending the Healing Ministry of Christ” to serve the community, catering to the needs of the residents by providing professional and specialized services with compassionate care, while continuing to actively give back to the society and protect the health of the community.

**Board of Governors – Tsuen Wan of Hong Kong Adventist Hospital Foundation**

HKAHF was established in 1999, uniting efforts with the BOG – Stubbs Road to more effectively serve the community as one team. Both Boards serve specific demographics through their respective funds, medical programs, and healthy living initiatives.

BOG-TW manages the following Funds: Medical & Development and Healthy Lifestyle. Together, these funds provide multi-faceted medical and health-related support for the needy. This Charity Cataract Program is led by BOG-TW to help more cataract patients regain clear vision.
